

## FORKLIFT POCKET DIMENSIONS

At Spill Station, we have assembled products to make your job as simple as possible.

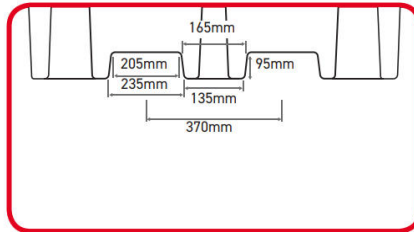

As a company focused on a solution based approach, most of our spill pallets have forklift access.

We believe this is paramount when choosing the right product for the right job.

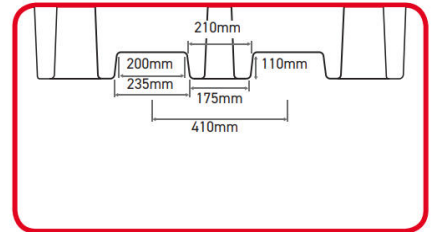

This handy guide provides the information you need to ensure you get the correct spill pallet to suit the fork lift or pallet truck on hand.

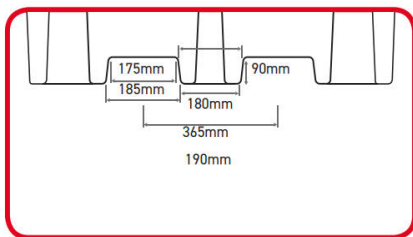

**TSSBP2**

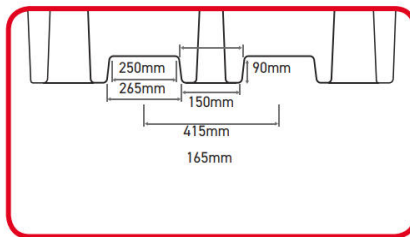

**TSSBP4**

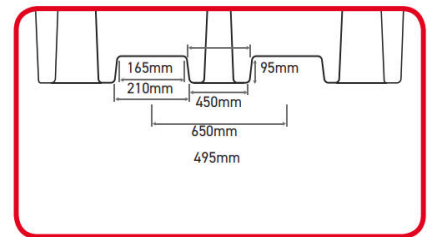

**TSSBP4L**
